

Job Description

Job Title: Report Writer

Location: GREENSBORO, NC

About Encompass

Encompass has provided ERP consulting and industry leading development of mission-critical enterprise solutions for over 15 years. The company's focus is to be an advocate to customers facing the challenges of the market's fierce competition and is often chosen as experts in this field to help enterprises achieve a technological advantage.

Epicor Software drives business growth.

Epicor provides flexible, industry-specific software designed around the needs of our manufacturing, distribution, retail, and service industry customers. More than 40 years of experience with our customers' unique operational requirements are built into every solution—in the cloud, hosted, or on premises. With this deep understanding of our customers' industries, Epicor solutions manage complexity, increase efficiency, and free up resources to enable our customers to focus on growth.

Essential Responsibilities:

- Working within a office based team, located in Greensboro NC office, providing reporting and business intelligence services for clients running Epicor ERP.
- Working with functional consultants to define datasets needed for reports that meet business needs.
- Assisting with planning and execution of enhancements to reports, including requirements definition, design, engineering, testing and documentation.
- Following defined operational procedures to resolve issues.
- Able to complete all assigned tasks on time with quality and consistency.

Skills and Experience (REQUIRED):

- 3+ years of relevant work experience
- Excellent communicator, with professional written and spoken English
- Ability to work legally in the United States
- Experience with SQL Server Reporting Services (SSRS)

- Experience with SQL Server 2008, 2012 or 2014
- Skilled in writing complex Stored Procedures (must be able to write complex T-SQL statements by hand)
- Familiarity with Indexes and Query Plans
- Willingness to learn in a fast-paced environment
- Excellent problem-solving skills and excellent communication skills
- Motivated to learn
- Self-starter with excellent verbal and written skills
- Bachelor's degree

Skills and Experience (DESIRED):

- Epicor ERP reporting experience, BAQ Report writing
- Crystal Reporting experience
- SQL Server Integration Services (SSIS)
- SQL Server Analysis Services (SSAS)
- Data mining skills using Microsoft Excel
- Ability to create dashboards in SharePoint or Excel
